

AGREEMENT REGARDING THE SHIPPING OF PERSONAL EFFECTS AND HOUSEHOLD GOODS

Dear Customer:

When you sign the Bill of Lading to ship your personal effects/belongings, you will note that unless you request insurance coverage you will have no protection from loss, damage, or other claim.

In the event of damage or loss your claim will not be paid by World Cargo International Services unless you have requested insurance from World Cargo International Services. We suggest you contact your personal insurance company and obtain a "Moving in Transit" insurance rider, or ask World Cargo International Services to provide insurance. Understand also that insurance offered for personal effects/household goods is FPA (free of particular average) unless professionally packed and therefore covers only catastrophic loss. If you have any questions about cost, coverage, or insurance options contact the Claims Department at (206)433-1094 BEFORE you sign this and ship your belongings.

All shipments are rated to port only for customer pick-up and rates don't include delivery unless otherwise stated on the bill of lading. Please understand that after notification that your goods have arrived, storage charges will be assessed.

All personal effects shipments must be prepaid by cash, credit card, money order or cashier's check.

I hereby acknowledge that I have read and understand the above supplement to my bill of lading. I certify that I am the owner of the goods, or that if I am not the owner of the goods then I will protect and indemnify World Cargo International Services from any claim.
